RESEARCH EXPERIENCE IS REQUIRED FOR ADMISSION TO THE MASTER OF ARTS PROGRAM

SHORT-RESPONSE ESSAYS. Instead of a statement of purpose, please respond to the following 3 questions. You should submit your responses to these prompts as your Statement of Purpose on Cal State Apply.

1. **Research experience:** What research activities have you been involved in? What did you do? For example, did you review the literature, conduct interviews, enter data, code or analyze data, or design a study from its conception? What knowledge did you learn and/or what skills did you acquire from conducting research? Be sure to mention any conference presentations, journal articles, or book chapters that you contributed to.

2. **Educational background:** Describe your educational background and training. What challenges or obstacles (if any) did you encounter and how did you respond to them?

3. **Research fit:** What are your current areas of interest in psychology, and what are your career goals as you now see them? How do your research interests overlap with those of the faculty members you listed above? How does conducting research with them help you reach your career goals? In turn, how can you contribute to their research programs?

*Your application to the Department of Psychology M.A. Graduate Program cannot be considered by the Graduate Studies Committee unless the departmental application, your statement of purpose, all transcripts, three letters of recommendation have been received by **JANUARY 15**. Applications received after the deadline will not be considered.*
