## EXPERIENCE IN A CLINICAL SETTING IS REQUIRED FOR ADMISSION TO THE MS PROGRAM

Briefly describe any applied volunteer or paid positions you have held that provide clinical experience. Specifically describe your duties (e.g., co-facilitator), including internships, type of supervision, and give the <u>License Number</u> of **supervisor**. Your supervisor should confirm your duties and dates of service on the Recommendation form or, if he/she is not one of your recommenders, on the Clinical Experience Verification form. *If they do not have a California license, please provide supervisors' position title*. If your supervisor is no longer available, the current administrator may verify your experience and your supervisor's status. However, you will need to include an additional reference. Clinical experience is a requirement for admittance to the Master of Science Program.

Please attach a statement of purpose. Discuss such topics as (1) why you would like to be admitted to the program; (2) past research and clinical experience; (3) career objectives; (4) personal qualities and strengths and weaknesses in your preparation for graduate study in an applied clinical program; (5) why you want to become a clinician; and (6) whether you have any special skills for working with specific populations.

Your application to the Department of Psychology M.S. Graduate Program cannot be considered by the Graduate Studies Committee unless the departmental application, your statement of purpose, all transcripts, three letters of recommendation (including one letter verifying your clinical experience or a Verification of Clinical Experience form) have been received by JANUARY 15. Completed applications submitted by Jan. 15 are assured for full consideration.
