Kathleen Preston received promotion to full professor

Dave Gerkens received promotion to full professor

Welcome to our three new faculty undergraduate advisors!!

**Jennifer Trevitt
Jennifer Coons
Masako Ura**

Announcements

- **The Department's MA & MS admissions applications and letters of recommendation will be fully online for our January 15, 2021 deadline.**
- **If you find that your Zoom sessions frequently freeze up, you could have an outdated operating system. Contact IT at ext. 7777 for a device upgrade.**
- **Remember to send Phil a copy of your course syllabus for the Department's records.**

Research

- **Lucia Alcala was awarded a \$49,945.00 grant from the Spencer Foundation for her research on The Development of Executive Function Skills of Maya and European-American Children.**
- **Adam Roberts received a \$110,985.00 grant from NIH for his research on Mapping Neural Connectivity in Zebrafish in Larvae Using a Photoconvertible Protein.**
- **Nancy Segal has been busy with several publications and an interview with *Sixty Minutes* that will air in Australia. Nancy is also serving as a consultant to the *Guinness Book of World Records* with regard to twin records (e.g. oldest twins).**
