Makayla Allen

Hello! My name is Makayla Allen. I am a third-year student at CSUF and I am majoring in Psychology. For my career I am most interested in working with families and kids of all ages. I am looking to get my masters to eventually get my license in Marriage Family Therapy. My favorite hobbies include cooking, baking, reading, and walking my dog. My favorite thing to bake is cookies and I love to share! I can best assist you with Psych 101, Psych 201, Psychology of Personality, Abnormal Psychology, and study skills!

Jackie Benitez

Hello! My name is Jackie Benitez. I am a 4th year Psychology major and my 1st year as a Peer Mentor. Aside from that, I am also a research assistant for Dr. Cherry's lab through the Fibromyalgia and Chronic Pain Center at CSUF. After obtaining my BA in Psychology, I plan to attend grad school for Industrial and Organizational Psychology. Aside from school, I like spending my free time binge-watching The Office and That 70's Show. I also like exploring new museums, art walks, hiking, and eating tacos. I can best assist you with APA formatting, Intro to Psych, Learning and Memory, Abnormal, and I/O Psych. I can also answer questions about how to get involved with research on campus, and general questions about grad school.
"No." -Rosa Parks

Kathrine Bliss

My name is Katherine Bliss and this is my last year at California State University, Fullerton. I am happy and eager to be a Peer Mentor. My interests currently lie in consumer psychology and market research. In my spare time, I enjoy working out, watching television, and singing classical music and opera. I also like to sing in my church choir. I am more than happy to help with Introduction to elementary statistics and introduction to research methods. I can also help with abnormal psychology, the psychology of personality, social psychology, and psychology 110. Best Wishes and have a good Fall Semester.

Tamryn Boggess

Hi everyone! My name is Tamryn Boggess and I am currently a third year at CSUF. I am majoring in psychology and minoring in child development with plans to one day become a school psychologist and help young kiddos. I can best assist with Introductory, Critical Thinking, and Abnormal psychology.
